

Liebe Kunden des Harz-Kursbuchs,

wir sind stets bemüht, Sie mit aktuellen Informationen über die Fahrpläne des Harzes zu versorgen. Das ist allerdings leichter gesagt als getan, denn inzwischen nimmt die Zahl der Fahrplanwechsel schon fast inflationäre Ausmaße an. Neben den unterschiedlichen Sommerferienenden, die traditionell zu Änderungen im Busverkehr führen, gibt es nun auch Anpassungen vor Beginn der Sommerferien oder auch zu Ostern oder dann, wenn ein anderer Betreiber einsteigt. So in diesem Jahr zwischen Goslar und Clausthal-Zellerfeld einerseits und Clausthal-Zellerfeld und Osterode am Harz andererseits.

Wir haben den aktuellen Stand der Dinge für Sie nachstehend zusammengetragen. Die wohl wichtigste Anpassung, nämlich die um rund 5 Minuten frühere Abfahrt der Busse, welche von Clausthal-Zellerfeld über Hahnenklee nach Goslar fahren, führt zu einer erheblichen Aufwertung der Verbindung Clausthal-Zellerfeld - Göttingen. Was bisher schon in der anderen Richtung ging, funktioniert nun auch anders herum, nämlich (Mo bis Fr) eine relativ schnelle Verbindung alle 2 Stunden über Goslar zu schaffen. Fahrzeitverlängerungen zwischen Goslar und Clausthal-Zellerfeld infolge des Durchfahrens der Goslarer Innenstadt alle 2 Stunden führen wiederum zu Anschlussverlusten in der Relation Goslar - Osterode am Harz. Immerhin gibt es zeitnahen Ersatz.

Im Bereich des Landkreises Harz und im engeren Bereich von Osterode (Linien 440 und 460) gab bzw. gibt es nach Ende der Ferien nur geringfügige, die Tabellen des Harz-Kursbuchs kaum betreffende Änderungen. Für die 440 und 460 sind sie nachstehend mit enthalten. Für die Linien rund um Wernigerode und Quedlinburg ist die Herausgabe neuer Tabellen nicht vonnöten.

Die bereits in Vorbereitung befindliche Winterausgabe des Harz-Kursbuchs wird dies und anderes natürlich berücksichtigen und Ihnen noch mehr Übersicht und Inhalt bieten. Anfang Dezember wird es zum Verkauf bereitstehen.
